Information for visitors to the Oxnat swim

Thank you for your interest in joining a swimming session with Oxnat.

For dates of swims, see the “Diary” page at oxnat.org.uk. About every two months, one is marked “OPEN SWIM”, when non-members are welcome. Alternatively, ask the Secretary by any of the above means.

The swim is held at **The Wave Leisure Pool, Newlands Avenue, Didcot OX11 8NX.**

On entering the building, go through the reception gates then turn left to find our cashier at a café table.

We have access to the building from 17:15, and the pool is available to us from 17:30 to 18:30.

Please note that, for security reasons, the doors are locked shortly after 17:30. The building closes at 18:45.

The cost is £10 per person per session. The lockers are operated by a returnable £1 coin.

Under-18s are welcome but must be accompanied by their parent or guardian. They pay £1 each.

If you are a current member of British Naturism, you may attend any of our club swims on presentation of your BN membership card. Though prior booking is not essential, it is strongly advised so we can let you know if the swim is cancelled. You may pay by cash or in advance, when a booking code would be issued as receipt.

If you have arranged the swim as a pre-membership visit, please present your visits form if you have one. (If you do not yet hold one, perhaps because this is your first visit, you should be issued with one at this swim.)

As you would expect at an event of this kind, the following requirements apply:

- No visitor will be admitted at the door without photo identity and proof of address.
- In the pool and the shower area, no swimming costumes or other clothing will be worn.
- Anyone failing to behave respectfully to others will be asked to leave immediately. Disrespectful behaviour would include unwelcome physical contact or impolite staring.
- There will be absolutely no photography at the session
- The pool management require shoes to be removed or covered before entering the changing area.

If, after paying, you find that you cannot attend as planned, the fee can be transferred to a later date. Let us know at least a day before the swim. We regret that later notice without good cause may result in loss of the fee.

If you have any questions at all about the event, do not hesitate to contact us by email, phone or text, as above. If the phone is not answered, do leave a voice message.

Please read the above information carefully.

If you are happy with everything here and would like to attend, please tell me **your chosen date, your name and home postal address**. Write to secretary@oxnat.org.uk, use the “Join Us” page of the website or send an SMS message. *If I don't respond quickly, do try other contact methods.*

When I have accepted your request, pay by bank transfer to the club account the sum of £10 per adult:

Account name: **Oxnat** Sort code: **40-35-34** Account: **81226053** Reference: your own surname.

If you do not have internet banking, please telephone or visit your bank, or pay cash to our account at any HSBC branch. A cheque also works, but allow time for postage, submitting to the bank, and clearance. The bank does not indicate who has paid a cheque.

Finally, **let me know that this has been done.**

Once the payment has been confirmed, I will post a ticket to your address or issue a booking code.

The ticket includes a reminder of the above text. Please use the receipt section of that ticket as your payment.

You may like to know that our “open swims” were prompted by an initiative of British Naturism to encourage newcomers to try the naturist lifestyle. We have continued to hold “Great British Skinny Dip” events in support of the on-going BN campaign.

We look forward to meeting you at a swim and very much hope you enjoy your visit.

Secretary, Oxnat
