## *Information for visitors to the Oxnat open swim*

Thank you for your interest in joining a swimming session with Oxnat.

For dates of swims that are open to non-members, see the Diary page at [oxnat.org.uk](http://oxnat.org.uk) and look for "OPEN SWIM". They occur about every two months. Alternatively, contact the Secretary by any of the above means.

The swim is held at **The Wave Leisure Pool, Newlands Avenue, Didcot OX11 8NX.**

We have access to the building from 17:15, and the pool is available to us from 17:30 to 18:30.

Please note that, for security reasons, the doors are locked shortly after 17:30. The building closes at 18:45.

The cost is £10 per person per session, paid in advance. The lockers for clothes and valuables require a returnable deposit of a £1 coin. Under-18s must be accompanied by their parent or guardian, and pay £1 each.

As you would expect at an event of this kind, the following requirements apply:

- No visitor will be admitted at the door without photo identity and proof of address.
- In the pool and the shower area, no swimming costumes or other clothing will be worn.
- Anyone failing to behave respectfully to others will be asked to leave immediately. Disrespectful behaviour would include unwelcome physical contact or impolite staring.
- There will be absolutely no photography at the session

If, after paying for a ticket, you find that you cannot attend as planned, it can be transferred to a later date by letting us know at least 48 hours before the swim. We regret that later notice or failure to attend will normally result in forfeit of the fee.

If you have any questions at all about the event, do not hesitate to contact us by email, phone or text, as above. If the phone is not answered, do leave a message.

Frequently after a swim, a few of us meet at a pub for a drink and chat. You would be welcome to join us.

### **Please read the above information carefully.**

If you are happy with everything here and would like to attend, please purchase a ticket. To do so:

First, tell me **your name and home postal address**. You can send an email to the address at the top of this sheet, use the "Join Us" page of the website, or send an SMS message. I will post your ticket to that address.

Then **pay by bank transfer** to the club account the sum of £10 per adult:

Account name: **Oxnat** Sort code: **40-35-34** Account: **81226053** Reference: please use your own surname.

If you do not have internet banking, please telephone or visit your bank, or pay cash to our account at any HSBC branch. A cheque also works, but please allow the extra time for postage, submitting to the bank, and clearance.

Finally, **let me know that this has been done**, ideally by email with a copy to [treasurer@oxnat.org.uk](mailto:treasurer@oxnat.org.uk) who will tell me when your money has been received. Any of the other contact methods will also work.

Once the transfer has been confirmed, I will post your ticket and let you know that I have done so.

It will include a reminder of the above text. Please use the receipt section of that ticket as your payment.

*You may like to know that these "open swims" were prompted by an initiative of British Naturism to encourage newcomers to try the naturist lifestyle. We have held "Great British Skinny Dip" events annually, in support of the on-going BN campaign.*

We look forward to meeting you at a swim and hope you enjoy your visit.
